

## Sainsbury's

Thank you to all our parents and friends who have supported the children's learning this week. The visits to **Sainsbury's** would not have been possible without you all. The children have loved walking to **Sainsbury's** and buying their ingredients and making their pizza.

I think they enjoyed eating their pizza the best!!!

The children loved the whole experience!

### Top Tips

Children often eat a wider variety of food if they are involved in choosing the food and cooking the food from scratch. Try it and see what your little one will try.

**Have a look on the blog to see more photos of what your children have been up to this week. We would love to read your comments on the blog.**

**Go to [otblog.net](http://otblog.net) or use the link on the academy website.**
