

Walking in a winter wonderland!

This week we were lucky to have a good coating of snow. The children enjoyed making snowmen, digging in the snow and catching the snow on their tongues.

We teach the children new words systematically. Every week we will share our focus words with you.

Words to learn and use:

Remember to write down any sentences your children use which include these words. This will help with our assessment of their communication and language skills.

Number of the Week

Our number of the week has been number 9.

See if you can spot the number 9 when you are out and about.

We visited Wyevale Garden Centre's Winter Wonderland.
