

We love learning outdoors!

This week the children have been making baubles ready for the Church. We will be visiting the church in December, dates will follow soon.

We teach the children new words systematically. Every week we will share our focus words with you.

Words to learn and use:

count warm naughty

Remember to write down any sentences your children use which include these words. This will help with our assessment of their communication and language skills.

Number of the Week

Our number of the week has been number 6. See if you can spot the number 6 when you are out and about.

Writing and Problem solving.

In Nursery we have been so proud of our children. Ellie is beginning to write her name. Robert and Holly were giving meaning to the writing which they could see in nursery. Cobie and Theo made a skate board and see saw with the wooden blocks. At first the boys wanted to use the skateboard themselves but it was too dangerous. So they needed to find a way to use them. They found some toys to have a ride. Good problem solving boys.

Top Tip

The weather is very cold please make sure you children wear trousers or tights to Nursery as they have open access to the outdoors. A warm coat and gloves are also a good idea.

We are committed to safeguarding children and young people.
