## Outcomes Focused, Child Centred

### Life in Space Exhibition Trip to the Life Centre, Newcastle – Friday 5<sup>th</sup> October 2018.

Dear Parents/Carers,

As part of our quality text 'Man on the Moon' this term, Year 2 will be visiting the Life Centre in Newcastle to see the exhibition and take part in a 'Destination Space' workshop.

We will be travelling by coach to the life centre in Newcastle and we will have a packed lunch there. Your child will get the opportunity to experience what life is like in space and to experience the exclusive exhibition that only happens once a year. It is difficult to get places for this visit and we are thrilled that our school has been given this fantastic opportunity this year, which I am certain your child will enjoy. They will take part in different activities through the day and experience what it feels like to be inside a rocket taking astronauts to space.

We will be leaving school at 8.50am and will return to school by coach ready to be collected at the usual time of 3.15pm.

For this visit, children may take a packed lunch and will need to bring a drink with them. No glass bottles or fizzy drinks. A full school uniform is required for the trip, the schools PE kit - hooded top and jogging bottoms would be suitable for this experience.

In order for the visit to go ahead, we will need to ask for a contribution of **£12.00** which will cover the cost of the coach, the exhibition and the workshop. **We will need all of the money to be collected by Thursday 4<sup>th</sup> October.** If we do not receive sufficient funds to cover the cost of the visit we may not be able to go ahead with the trip.

Please complete the attached reply slip giving your consent and emergency contact number and return with the payment. We look forward to the experience which we hope will enrich your child's learning.

Yours sincerely,

Year 2 team

I \_\_\_\_\_ give permission for my child \_\_\_\_\_ to attend the visit to Life Centre Museum on Friday 5<sup>th</sup> October, 2018
