Whole school news

We are finishing the penultimate half term and are excited about the final half term ahead. The children have worked very hard this year, producing some lovely writing and improving their learning in Maths and Reading. We really value the home reading many of our children do—it cannot be underestimated just how big of an impact this has on the children's outcomes and future going forwards.

Our children are working hard to improve attendance and as you will have read from the front page of this weekly newsletter, the attendance of every year group is improving. Children have to be at school to reach their potential with learning. A missed day of learning means catch up for the children and this is something we discourage unless your child is too poorly to attend.

The children in year 4,5 and 6 have been asking whether they are allowed to bring cards such as pokemon cards to school to swap. We have discussed this with the children and have decided to set up a club on Friday lunchtimes, led by the children where they can swap these cards in Miss Minto's classroom. This club will only take place on Fridays and on the understanding that any child that brings cards into school has the permission from their parents. We ask parents to ensure that children do not bring these cards into school on any other day as we have to ensure they focus on learning and are not distracted by the cards. Many thanks for your support with this.
